ISME-Routledge Book Series Proposal Process

Idea
- Informal conversation with Senior Editor
- Prepare call for chapters (if appropriate)

Proposal
- Prepare proposal using Routledge guidelines
- Submit to Senior Editor/revise as appropriate

Review
- Proposal out to review by at least two peer reviewers
- Review outcome sent back to editor/author

Revise
- Respond to reviewers' comments
- Proposal approved/declined
- If approved, agree timeline for submission of manuscript

Contract
- Approved project recommended to Routledge
- Further queries from Routledge addressed if needed
- Routledge editor presents project to publishing board for contract approval
- Contract offered and signed
