SPONSOR A MEMBER

ISME offers the opportunity for members to sponsor an individual's membership of the Society. This is a two part process:

1. The sponsor must complete this form (ISME Sponsor Form A) and submit to ISME
2. The sponsored person must complete ISME Sponsor Form B and submit it to ISME.

Once both forms are received, ISME will take the money from the sponsor and advise both the sponsored person and the sponsor that the membership has been registered.

As the sponsor complete the following information.

I confirm I am a current member of ISME and I wish to sponsor this person:
